## HOW TO MAKE AN AmazonSmile ICON ON YOUR DESKTOP

(note—there are different instructions for Android and Apple computers, and there are different instructions depending on which browser you use.)

### GOOGLE CHROME USERS – (Chrome is a color wheel on your task bar)

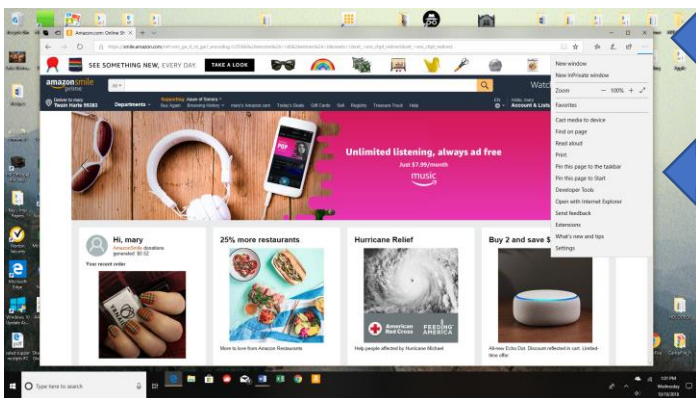

Make sure you are logged in to smile.amazon.com

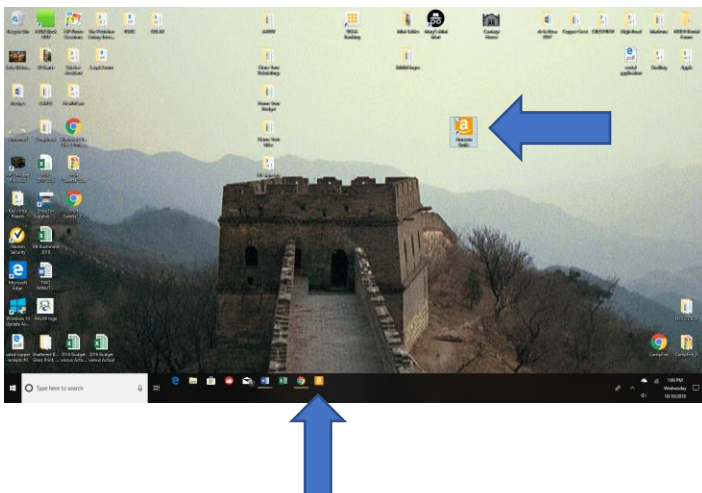

1. Click on the three dots in the upper right corner of your screen
2. Click on More Tools
3. Click on Create Shortcut and will you create an Amazon Smile icon on your desktop.

### MICROSOFT EXPLORER USERS – (Explorer is the lower-case blue e on your task bar.)

Make sure you are logged in to smile.amazon.com

1. Click on the three dots in the upper right-hand corner
2. Select Pin the Page to the taskbar

This example has an Amazon Smile icon on the desk top (for Chrome), and an AmazonSmile link on the task bar (for Explorer users).
